

Schamber Quilts

Trapunto Basics Longarm

Trapunto Basics

This class will show the basics of machine trapunto. I will teach how to mark and hand baste your quilt. We will go over how to use water soluble thread. This elegant stuff work is now easy to achieve. This class is a bit challenging so bring your patience and determination. If you are a beginner don't shy away from this class, it is easier than a beginner free motion class.

Supplies & Equipment needed:

2 22" squares of cotton fabric (light color)

1 25" 12 oz. bonded poly batting

1 25" Hob 100% wool batting
