

Schamber Quilts

The Secrets of Color

The Secrets of Color

Make your quilts sing.

Color goes way beyond the color wheel.

You will learn to make a color wheel.

You will plan a simple quilt using the your chosen colors.

I go over Complementary, Accent, Contrast, Triadic, and value, how to use these combinations in your quilts. The formulas are easy and fun to play with.

This class will help you to put the right colors together in a powerful way.

We will also go over how important contrast is to your final work.
