

Green Apples

This class will teach you how to use Piec-liqu  to make a very graphic piece.
I will show you how to make your own pattern and how to construct your original design.
This class is designed for the average quilter that wants to move onto a higher level of work. Every art quilter will love this class.
If you have loved curved seams but were afraid to try them now is the time.

Iron: You will need your own.

The only one that I find is hot enough to work is a Black and Decker travel iron or a Rowena travel iron.
You will need to purchase one.
A must no other iron works.

Try to use hand dyes or batiks if possible.

Assorted fabrics:

3 fat half's of fuchsia's for back ground.
4 fat quarters of black.
2 fat quarters of green, one just darker than the other.
4 -12" square of beige. You need 2 of them a shade or two darker then the others.
Scraps of a darker beige for seed pod.

Use your imagination on the colors you choose the brighter the better.
